

# **CITY WIDE ALLEY RESTORATION**

## **SOLICITATION - DCKA-2013-B-0007**

The Government of the District of Columbia (District), Office of Contracting and Procurement, on behalf of the District Department of Transportation (DDOT), Infrastructure Project Management Administration (IPMA), will award a contract to the successful vendor, hereafter, referred to as "the Contractor" to provide Citywide Alley Restoration with green technology drainage implements as specified in accordance with the specifications as stated in Section C of this solicitation.

The District Government will award the contract as a requirements contract for the services specified with payment based on fixed unit prices as set forth in the **SCHEDULE CONTAINED IN THE SOLICITATION**. The contractor will provide all specified services required by the District.

### **SCOPE**

The contractor shall perform all work in accordance with the 2009 edition of the District of Columbia, Department of Transportation Standard Specifications for Highways and Structures and Standard Drawings.

Work under this contract consists of citywide rehabilitation of alleys at various locations in the District of Columbia. The contractor shall:

Implement and maintain vehicular and pedestrian traffic safety plan throughout the contract.

Implement and maintain sediment and erosion control measures for the contract

Remove and dispose of the alley surface and base paving materials as required and/or directed by the Engineer, including alley entrances/driveways, curbs, gutter and drainage structures. Suitable paving materials (pavers) shall be salvaged by the Contractor and used for alley re-paving.

Mobilize and demobilize work and storage areas

The Contractor shall maintain all utility structures and service within the contract limits throughout the durations of the contract for all repairs made to the utilities.

## **TERM OF CONTRACT**

The term of the contract shall be for a period of one (1) year from date of award with four (4) 1 year option periods.

## **OPTION TO EXTEND THE TERM OF THE CONTRACT**

The District may extend the term of this contract for a period of four (4) one-year option periods, or successive fractions thereof, by written notice to the Contractor before the expiration of the contract; provided that the District will give the Contractor preliminary written notice of its intent to extend at least thirty (30) days before the contract expires.

The preliminary notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of this option. The Contractor may waive the thirty (30) day preliminary notice requirement by providing a written waiver to the Contracting Officer prior to expiration of the contract.
